MASTER SCUBA DIVER

To become a Master Scuba Diver you must log 50 dives. Also you must complete the following dive courses. The Open Water course, Advanced course, Rescue Diver course, and five specialty courses. Master scuba diver is the highest non-professional scuba rating. You can attain this certification by taking each course as you go or sign –up for the Master Scuba Diver challenge. By signing up for the challenge you will get a price break, continue your education, and get lots of diving experience. If you’re a new diver or just starting you can get on the fast track by calling one of our instructors and signing up.
